SCHOLARSHIPS & BURSARIES

Opportunities listed by Monthly Due Date for 2025-2026

This list is intended as only a guide for grade 12 students and their parents. As this is by no means a complete listing of all available awards and scholarships, students are advised to do independent research for further opportunities.

The information included is correct to the best of our knowledge at the time of compilation. It is based, in part, on opportunities and deadlines advertised for the previous school year. **Because donor organizations and post-secondary institutions have the right to change their deadlines without notice, please plan ahead and research the opportunities you wish to apply for so that you don't miss a deadline.**
